

Use Your Sneakers For Good!

Each bag you collect turns into revenue for your running club, marathon or charity of choice.

To make sure you succeed, we're making it super easy for your teammates and customers to help you!

Here's how the sneakers for good program works:

1. Fill each **prepaid shipping bag** with 15-20 pairs of gently worn, used and new sneakers and running shoes.
2. Let your teammates and supporters know that you are only accepting **sneakers, trainers, cross-trainers, walking shoes and racing shoes. We do not accept regular shoes, cleats, roller-skates or roller-blades. ***
3. Once you fill your bag, drop it off at any UPS location.
4. Once we receive and process your sneakers, a check will be issued to your organization or charity of choice. We issue checks twice a month.

What happens to the athletic footwear?

The sneakers and running shoes collected by your supporters go on to developing nations like Haiti, where they are repurposed and resold by micro-entrepreneurs (small business owners). The athletic shoes help create commerce, jobs and a path out of poverty.

***Important Notice:** We only accept sneakers and running shoes. If your bags are mixed with other types of footwear that are not accepted, we may deduct from the money you are awarded.
